

# 6th Grade

## Remote Learning Weekly Overview

### 4/6 - 4/10

---

#### ELA

*\*Most assignments from last week have had their due dates extended to THIS Tuesday (4/7) due to a posting error. I have also reduced the amount of additional reading and classwork for this week to compensate. Use this week as a chance to catch up on missing work and reach out to me for any help you might need!\**

#### Readings:

- *The Hobbit* by J.R.R. Tolkien, Chapter 3

#### Classwork Assignments:

- Finish working on the Ch. 1 and 2 assignments from last week. Their due dates have been extended to Tuesday 4/7
- NEW ASSIGNMENTS:
  - (Ch. 3) Tales of Ancient Weapons
  - Vocabulary Review Nearpod

#### End of Week Assessment:

- The Hobbit (Ch. 1-3) Reading Quiz

#### Homework:

- 1 Independent Reading Report (Due Wednesday, HW grades are shared with Social Studies)
- 

#### Social Studies

**Curriculum Outline:** *This week we continue our study of Ancient civilizations by learning about the Aksum (or Axum) Empire. The first lesson this week examines the factors that caused the Aksum Empire to rise, prosper, and eventually collapse (fall). The second lesson encourages students to be creative in hypothesizing how obelisks were erected and then design their own stela. The second part of the week will be much lighter with an online discussion, survey, and opportunity to make up and/or revise previous assignments. If you have trouble or something fun to share please email or send me a note through TalkingPoints.*

#### Weekly Structure:

#### Remote Classroom Work (RCW) All lessons are posted in Google Classroom

- (RCW 3.8) Aksum Empire
- (RCW 3.9) Aksum Stela & Egyptian Obelisks
- (RCW 3.10) Midweek Discussion (Post & Respond to one student)
- (RCW 3.11) Remote Learning Survey 2 & Catch Up (Please complete any missing assignments & revise 1 assignment)

#### Homework:

- Counts twice with Mr. Masterson, read a book for fun and complete the independent reading reports on the ELA classroom page.

**Platforms:** Google Classroom, NewsELA, NearPod, Pencil & Paper (or other creative materials such as legos, cardboard, soap, Minecraft, or graphing paper)
