#### Social Studies (Mr. Enny)

**Curriculum Outline:** This week we will cover the beginnings of Westward expansion. Westward Expansion started when former U.S President Thomas Jefferson spearheaded the Louisiana Purchase, between the French government and the newly established United States, for \$15 million. By 1840, 7 million Americans had moved and acquired land in the west.

**Weekly Structure:** New assignments will be posted throughout the week. Directions on how to complete each assignment will be attached. Nearpod will be the platform for each of the assignments. This will keep all of your work in one place and students will not have to jump from one place to the next.

### **Optional Extra Credit due Wednesday 4/1**

- Make a color wheel out of objects at home and photograph OR...

- ❑ Go on a virtual field trip to the museum! Using Google's Color Explorer tool, find a work of art that jumps out at you and describe the artist's use of color by filling out the Google Form (linked in Google Classroom.)
- 

## Physical Education

### Every Week

Continue filling in your Exercise Logs and try for 30 minutes of physical activity each and every day. We will be checking them on Fridays.

### For this week 3/30-4/3

You will be creating your own workout routine, as if you are a personal trainer. All the exercises must be carried out safely and use equipment available to anyone at home. You can use your knowledge of fitness, the internet, as well as family members to complete this task. This task will count as one week of your PE grade. Please see the directions on Google Classroom.
