

# GOOGLE CLASSROOM:

## How to Submit Your Assignment

How to attach assignments in Google classroom:

- FIRST click on the assignment and then click on view assignment.
- THEN, just below your work you will find “**add or create**”. You have to click on that to attach your assignment.
- NEXT select the assignment you want to attach. You can choose the file from google drive and the file can be of any kind like word etc.
- THEN select your file and upload.
- You can also add some information with it.
- **LASTLY click on turn in the assignment** and then your assignment is attached.
