

EIGHT 9 ZERO

A newsletter brought to you by Middle School 890

5/3/2017

From the Desk of the Project Director

It was truly a pleasure meeting our prospective students and families this past week. We had two information sessions that were both well-attended.

Many attendees had great questions about MS 890 and I am delighted to see so much

enthusiasm and excitement around our school. If

you missed the info session and would still like the information

shared, please contact me at nfrangella@schools.nyc.gov.

Good Luck with the Math State Exam!

NEW SCHOOL OFFER DEADLINE APPROACHING!

Families who received an offer to MS 890 through *the new schools application round* have until this **Friday, May 5th**, to notify their guidance counselor at their elementary school regarding their decision. Students have the option of selecting MS 890 or their main round offer. If a student's family does not notify the elementary school of their decision to accept one of the two offers, the student will automatically be placed at the school matched in the main round.

Family Fun at the Family Welcome Center

We had a great turnout for the two information sessions on April 27th and May 1st for accepted students and their families. A very big **thank you to all who attended!**

We had a great turnout at each session. Students and families learned about the curriculum, daily schedule, floor plans, and summer reading. We also had a bit of fun and made new friends by completing the marshmallow challenge! Below are some pictures of students and families in action:

Open Staff Positions Are Now Posted

We are currently accepting applications from qualified candidates for the following positions:
