

Animation SPARK Winter Break Assignment List:

Directions: By the end of winter break, complete **any 3 assignments** from this list. You can complete 3 extra assignments for extra credit! Use white paper for each drawing. You must fill the page! Be sure to write your name, class, and label what number assignment you are completing as well as the date it was completed. **You will be graded on completion, effort and quality of work. Your drawings are due your first SPARK class after winter break.**

Draw and color...

1. Self Portrait (from observation in a mirror)
2. Your bedroom or living room (from observation)
3. Your friend or family member's portrait (from observation)
4. Create three cartoon characters by exaggerating facial features or body types. (ex. big nose)
5. Create a new human animal hybrid
6. Create a new human machine hybrid
7. Design your dream outfit.
8. Reconstruct a dream.

9		<p align="center"><i>"Typography Tester"</i></p> <ul style="list-style-type: none"> ● Fill the page with a variety of lettering styles. Be creative! Find a poem - a favorite song - a list of favorite sayings - your favorite things... ● Perhaps start with pencil (very light) then move to markers or colored pencil ● Must - Fill the page ● Must Have five or more styles
10		<p>"Design Your Own Superhero"</p> <p><i>Your superhero must be original. Please do not turn in Superman, Cat Woman, Spider Man, "Japanimation" or any other copies! Invent your own, please.</i></p> <p><i>Capes, tights are optional!</i></p> <p>Create your very own Superhero. Your drawing must include color and it should take up the entire page. Include your action hero's name, his/her superpowers and super-talents. Also, write what this hero's biggest pet peeve is... what do you have to do to really tick this person off? And if you did... what would they do to you? (Be inventive, not gorey, please.)</p>
11		<ul style="list-style-type: none"> ■ But you are the only human on earth who has met them! It is up to you to tell their story! Make a full page drawing and tell the world the news that everyone is waiting to hear: What do they look like? What can they do? Where are they from? What language do they speak? Why are they here? What are their names? How did they get here? ■ Ok to include words, descriptions, or labels with your drawings. ■ Plan the whole page of your color composition-- You can include backgrounds and you can use more than 1 picture - like snapshots, closeups, families
12		<p>Design you own cartoon strip.</p> <p>Very important: do not copy another artist! Invent these images yourself! Use color, fill the page. Can include words (lettering!), voice or thought "bubbles!"</p> <p>---- OR ----</p> <p><i>if you don't have a cartoon strip idea, you can:</i></p> <p>Draw A Day In Your Life in Cartoon Format</p>
13		<p>Machine impossible:</p> <p>What do you wish you had a machine to do for you? Make your bed? Do you laundry? Make your dinner? Invent a machine that does a task you don't want to do.</p> <p>Include:</p> <p>a power supply: Solar? Electric? Hamster? Hydro? Air?</p>
